

FRIENDS OF **BLOODHOUND LIFELINE** NEWSLETTER AUGUST 2010

BLOODHOUND LIFELINE AT THE HOUND SHOW.

Bloodhound Lifeline had an exciting day at the Hound Show in Stafford when we had our first stall outside of the bloodhound world.

We had a great team of volunteer helpers who didn't seem to mind donning bloodhound ears, making fools of themselves and getting people to buy from us. Quite a few people outside of our breed also made donations, which was lovely.

The star of the day, (definitely BIS!) was Winston, (with his trusty sidekick Dawson) who walked around the showground in his Lifeline jacket, meeting and greeting and never putting a paw wrong. He was so patient with being petted and talked to, which is amazing considering the problems he had when he came into rescue. We were all so proud of him and of the work that his new owners have put in.

The day was wonderfully useful in raising our profile and thanks to the Hound Show committee for allowing us to be there.

We had a fair amount of new stock which went down well and are now planning our Christmas Houndalogue and our Bloodhound Bash - more about those later when ideas have been consolidated.

In these recession driven times it is sometimes difficult to ask people for money but please remember that all proceeds go towards some very expensive vets bills and EVERY penny helps. Raffle tickets are still available for you to sell, draw in November, please call and we will send some out to you.

Thanks again to all those who give their time and expertise so freely for the sake of the hounds.
